

UHWO Organic Garden Workday

Saturday January 16, 2016
8am-11am

Depart NHIS: 7:30am
Return to NHIS: 12:00pm

HANA FOR THE DAY

Please join Dr. Albie Miles, Assistant Professor of Sustainable Community Food Systems, for this hands-on workshop in the UHWO Student Organic Garden. Volunteers will learn how to prepare soil, build compost, plant fruit trees, install irrigation, sow seed and weed.

What to bring:

- Work clothes that can get dirty
- Shoes
- Water in refillable water bottle
- Sunscreen
- Hat
- Sunglasses
- A snack to share
- Good energy & attitude
